Proceedings of the Chief Commissioner of Coorg, Department of Revenue, Agriculture and Commerce, 25th February 1876.

From the Superintendent of Coorg, To the Offg. Secretary to the Chief Commissioner of Coorg, General Department, No. 176—121, dated 14th September 1875.

With reference to para 7 of the orders of the Chief Commissioner on Proceedings dated 15th June 1875, No. 176—Rev. 8, expressing a qualified assent to the proposal made by the Conservator of Forests for assigning from certain defined portions of the State Forests in Coorg, forest land for coffee cultivation, I have the honor to submit copies of letter dated 21st August 1875, No. 315—57 and of its enclosures from the Assistant Superintendent, Revenue Survey, reporting on the inadvisability of making a rough survey of lands applied for, and to solicit that you will be so good as to obtain the Chief Commissioner's orders on the subject.

From the Acting 1st Assistant Superintendent, Coorg Survey, To the Superintendent of Coorg, No. 315—57, dated Camp Vellore, 21st August 1875.

On receipt of your endorsement No. 293, dated 2nd July 1875, on Proceedings No. 176—Rev.-F. 8 of the Chief Commissioner of Coorg, dated 15th June 1875, calling for my opinion as to what would be the best way of carrying out the Chief Commissioner's orders as recorded in para 7 of the above Proceedings, I have the honor to inform you that I addressed letter No. 257—122, dated 13th July 1875, to the Superintendent, Revenue Survey, a copy of which is enclosed, together with a copy of Colonel F. Priestley's reply No. 2321—190, dated 13th August 1875, from which you will see that Colonel F. Priestley concurs with me in the inadvisability of making a rough survey of lands applied for in the Bamboo and is of an opinion that a correct survey should be made in the first instance as has hitherto been the case when lands have either been applied for under the rules for sale of waste lands or granted in exchange.

From the Acting 1st Assistant Superintendent, Coorg Survey, To the Superintendent of Coorg Survey, No. 257—122, dated Camp Vellore, 13th July 1875.

I have the honor to enclose for your perusal and return Proceedings No. 176—Rev.-F. 8 of the Chief Commissioner of Coorg dated 15th June 1875, and Major Thomson's endorsement thereon No. 293, dated 2nd July 1875, with reference to para 7.

2. I shall be glad if you would kindly inform me how I should carry out the wishes of Mr. Dalyell with regard to making a rough survey of the blocks of bamboo land, which it is proposed to give in lieu of land resigned to Government on the ghats.

3. It appears to me that it would be very nearly as expeditious and far more satisfactory, were a proper survey made in the first instance. The applicants have to provide the necessary labor for clearing the chain lines and demarcating the boundaries. So anxious are the applicants for exchange lands in the Bamboo for immediate possession, that I feel sure no delay in providing the necessary assistance would be offered by them. To make even a rough survey would necessitate the boundaries being cleared, and a Surveyor would have to spend several days in taking rough measurements and as the exchange lands if granted would have to be correctly surveyed hereafter, it would take the Surveyor very little more time to make in the first instance a proper survey. Planters are, as a rule, so perfectly capable of correctly estimating to within an acre or so the area of lands applied for by them that, were they given to understand that on completion of the survey should the area prove to be greater than that applied for, the extra portion would at once be cut off without any further reference, I think there would be very little fear of extra acreage being included in the survey.

From the Superintendent, Revenue Survey, To the Assistant Superintendent, Coorg Revenue Survey, No. 2321—190, dated Chepauk, 13th August 1875.

With reference to your letter of the 13th ultimo No. 257—122 requesting instructions regarding the demarcation and survey of the blocks of Bamboo land granted in lieu of land on the ghats, I have the honor to inform you that I agree with you in thinking that the demarcation of these blocks should be permanent. In my opinion any surveys undertaken in Coorg ought to be thoroughly and efficiently performed; a rough survey in the end is more costly and less satisfactory. Be so good as to communicate this to the Superintendent of Coorg.

Chief Commissioner's Proceedings No. 176—8 of the 15th June 1875 are returned.

Proceedings of the Chief Commissioner of Coorg, Department of Revenue, Agriculture and Commerce, 25th February 1876.

From the Superintendent of Coorg, To the Offg. Secretary to the Chief Commissioner of Coorg, General Department, No. 256—26, dated 18th November 1875.

With reference to para 6 of the orders of the Chief Commissioner on Proceedings dated 15th June 1875, No. 176—Rev. 8, expressing a qualified assent to the proposal made by the Conservator of Forests for assigning from certain defined portions of the State Forests in Coorg, forest land for coffee cultivation, and in continuation of letter from this Office dated 14th September 1875, No. 176—121, submitting copies of correspondence regarding the measurement of lands granted in exchange for forests resumed, I have the honor to solicit the Chief Commissioner's orders whether in the following cases in which land outside the reserved forest has been asked for in exchange for jungles recommended to be resumed, grants can be made under the provisions of para 6 of the Chief Commissioner's Orders of 15th June 1875 above quoted.

1. Dendalavu Vottu or Chirankolli in Ammatti-nad of the Yedenalknad Taluk, applied for in exchange for a portion of the Fowler Estate by Mr. Fowler.

2. Kanchikote in Bettyat-nad of the Kiggatnad Taluk applied for in exchange for a portion of the Cluni estate by Mr. Drummond.

3. Jungle in Bettyat-nad of the Kiggatnad Taluk applied for in exchange for the Athol No. I and II and Bandithodu estates by Mr. Savage.

The exchanges have been recommended by the Conservator of Forests, Mysore and Coorg, in the memo submitted with his docket dated 2nd February 1875, No. 2706, to the Secretary to the Chief Commissioner.

No. 648—Rev. 34, dated Bangalore, 25th February 1876.

Order.—The Superintendent of Coorg is informed that the application of Messrs. Drummond and Fowler for 200 acres at Chirankolli (outside the State Forest) in Ammatti-nad of Yedenalknad Taluk can be complied with on the condition, which must be stated in writing, that Mr. Fowler relinquishes to Government the estate near Vatkolli consisting of 1653 acres. The value of the timber will be adjusted in accordance with the directions contained in paras 6 and 7 of the Chief Commissioner's Order No. 60—2 of 15th April 1874.

2. Mr. Drummond's application for Kanchikote in Bettyat-nad consisting of 160 acres may be granted, on the terms already stated in the Proceedings above quoted; the necessary conditions to be fulfilled being (1) that the land to be resigned forms a compact block of cleared land, and (2) that it is absolutely relinquished, as the transfer of an equivalent number of acres cannot be stipulated.

3. The land applied for by Mr. Savage may be assigned on similar terms, provided that it does not lie within the existing State Forests; the allotment of which for coffee cultivation has been expressly prohibited by the Government of India, pending further orders.

4. The Superintendent is requested to report in detail his proceedings in giving effect to these orders.

5. With reference to the Superintendent's letter No. 176—121, dated 14th September 1875, he is informed that where the means exist of doing so expeditiously, the lands to be granted should be surveyed as usual.

1 to 2	*Copy of the Judgment passed by the Superintendent of Coorg, in re Basavaiya versus the Forest Department, submitted by the Conservator of Forests.* Sanctioning the mutual agreement of the parties, on the understanding that the sale of timber in liquidation of the compensation of Rs. 1,000 is not allowed to interfere with the usual annual sales of the Forest Department.	No. 592—Rev.-F. 34, dated Bangalore 1st Feb. 1876.	...	No. 1. Part II, B. Judicial, dated 10th Nov. 1875.	1

Proceedings of the Chief Commissioner of Coorg, Department of Revenue, Agriculture and Commerce (Forests), 1st February 1876.

From the Conservator of Forests, Coorg, To the Offg. Secretary to the Chief Commissioner of Coorg, General Department, Rev.-F. No. 2469, dated Bangalore, 18th January 1876.

I have the honor to report on the settlement made by me in the case brought by Húnsúr Basvaiya against the Coorg Forest Department. It was settled on the 18th November last. The great delay in reporting was caused partly by the Assistant Conservator being away from Mercara and some delay in presenting the power of attorney which I sent him to obtain copies of the decree, also from the number of holidays last month, which were in Coorg apparently supplemented by the Hutri feast.

2. The matter was settled out of Court practically, the Judge accepting the agreement entered into by both parties, and in passing a decree in accordance therewith. I submit this decree in full. Shortly I may state it as follows :—According to the agreement entered into by Mr. Ludlow in 1867, Húnsúr Basvaiya practically had the forest and all the wood in it for ever, the Government working it for him under certain conditions. He now gets the 8 kinds of trees mentioned in schedule A of the agreement, *viz.*, 1 Teak, 2 Honne, 3 Matti, 4 Nandi, 5 Arsin teak, 6 Bité, 7 Noga, 8 Dindiga; and of these kinds no trees measuring less than one foot in diameter at 6 feet from the ground. The Forest Department is to work the wood out, or give an equivalent quantity from any other forest, under the old conditions. The whole transaction to be if necessary extended over three years; when completed Húnsúr Basvaiya's claims cease altogether.

3. Húnsúr Basavaiya having spent in Court fees and lawyer's charges upwards of Rs. 2,000; I consented after much discussion to allow him *in timber* to the value of Rs. 1,000: the value of the wood to be calculated as set forth in the agreement.

4. Reply to your No 457—99 of the 10th November 1875 will follow in a day or two.

No. 592—Rev.-F. 34, dated Bangalore, 1st February 1876.

Order thereon.—With the above letter the Conservator submits a copy of the judgment passed by the Court of the Superintendent of Coorg, in accordance with the mutual agreement of the parties in original suit No. 3 of 1875 "Basvaiya *versus* the Conservator of Forests."

2. The Offg. Chief Commissioner observes that the compromise is clearly unfavorable to the Forest Department and has the effect of imposing a charge of Rs. 1,000 upon Government as partial compensation at least to the plaintiff—a result primarily due to the ill-defined agreement made by Mr. Ludlow, and the subsequent hasty measure of the Conservator in revoking it, and for which both Officers might have been held pecuniarily liable to the extent of the loss thereby entailed on Government.

3. The Offg. Chief Commissioner however sanctions the agreement on the understanding that the sale of timber in liquidation of the compensation of Rs. 1,000 is not allowed to interfere with the usual annual sales of the Forest Department in Coorg.
